UNIQUE PHOTO WALKS AND TOURS

MILANO

with **Beatrice Piacentini**
Professional Photographer

Love travelling, meeting new people and visiting new places.

The aims of these Tours is to get you know the enormous cultural patrimony allowing yourself to be accompanied with happiness, spontaneity and professionalism.

Together we will learn how to photograph and immortalize monuments and also lifestyle. Learning to how communicate through photography all the sensations felt in that instant.

During the day, you will be joined by me, to practice different photographic techniques.

My purpose is to improve your photography, teaching you the right techniques, to obtain memorable photos, that will remind you a funny day.

I will take also some photograph of you and your fellow travellers along the walk.

“We don't just take pictures with a camera. We put in the act of photographing all the images seen, the books read, the music listened to, the loved ones”

(Ansel Adams)

PHOTO WALKINGK TOUR THROUGH HISTORY

Discover, enjoy and photograph!

I will bring you in the heart of the city. Start at the famous Duomo, the Gothic cathedral is thought by many to be one of the most beautiful churches in the world. Continue to the Galleria Vittorio Emanuele II for a walk through the glass vaults of the majestic 19th-century shopping arcade. Next, go to Piazza della Scala for a tour of the legendary La Scala Square where you can admire the beautiful Opera house. Continue to the hidden Piazza dei Mercanti, and enjoy a picturesque plaza just few minutes walk from the Cathedral that during the Middle Age was the commercial and governmental center of Milan.

Stroll through the medieval heart of Milan to Sforza Castle, the impressive fortress of the former Dukes of Milan.
